“Mandi is amazing, we are not long back from our wedding which I could not have done without her. She did everything we needed, and not in “island time” (yes it is a real thing). Mandi is back to you instantly and if not will let you know when she can get that answer to you. I seriously would have lost it without this woman, she is an angel in disguise” (Kayla Maree Kava – previous bride)

THE DREAM DESTINATION

For a full copy of our brochure or for more information, please email info@travelwithviva.com

WHY DOES IT MATTER WHERE I GO?

When you choose a destination, you are choosing an experience. It's not just the location, but the people, the culture, the food, the scenery, the weather, the history, the language, the customs, the traditions, the way of life, the way of thinking, the way of feeling, the way of acting, the way of being, the way of living, the way of loving, the way of caring, the way of sharing, the way of giving, the way of receiving, the way of accepting, the way of understanding, the way of knowing, the way of learning, the way of growing, the way of changing, the way of becoming, the way of being who you are.

WHAT IS THE CULTURE LIKE THERE?

Culture is the way of life of a people. It is the sum of their beliefs, customs, traditions, and way of thinking. It is the way they see the world, the way they feel about things, the way they act, the way they speak, the way they dress, the way they live. Culture is what makes a people who they are. It is the heart and soul of a nation, the spirit that binds them together. It is the way they celebrate, the way they mourn, the way they love, the way they care. Culture is the essence of who we are.

WHAT ARE THE LOCATIONS LIKE?

Location is the place where you are. It is the physical space that you are in. It is the way the land is shaped, the way the water flows, the way the air is breathed, the way the sun shines, the way the wind blows, the way the rain falls, the way the snow melts, the way the ice melts, the way the earth trembles, the way the sky is filled, the way the stars shine, the way the moon glows, the way the clouds drift, the way the fog rolls, the way the mist rises, the way the dew falls, the way the frost settles, the way the snow accumulates, the way the ice builds, the way the glaciers move, the way the mountains rise, the way the valleys form, the way the rivers flow, the way the oceans stretch, the way the islands rise, the way the continents drift, the way the world is shaped, the way the universe is created, the way the life is lived, the way the love is shared, the way the hope is held, the way the faith is placed, the way the trust is given, the way the courage is shown, the way the strength is used, the way the power is wielded, the way the wisdom is shared, the way the knowledge is passed, the way the truth is spoken, the way the justice is done, the way the peace is sought, the way the harmony is found, the way the unity is achieved, the way the love is perfected, the way the life is glorified, the way the death is conquered, the way the resurrection is celebrated, the way the kingdom is established, the way the reign is eternal, the way the glory is everlasting, the way the honor is unending, the way the praise is ceaseless, the way the worship is constant, the way the devotion is unwavering, the way the faithfulness is unshakable, the way the loyalty is unbreakable, the way the love is unconditional, the way the grace is unmerited, the way the mercy is unending, the way the compassion is boundless, the way the kindness is overflowing, the way the gentleness is soothing, the way the patience is enduring, the way the self-control is mastered, the way the purity is maintained, the way the holiness is pursued, the way the righteousness is lived, the way the peace is kept, the way the joy is abounding, the way the love is perfected, the way the life is glorified, the way the death is conquered, the way the resurrection is celebrated, the way the kingdom is established, the way the reign is eternal, the way the glory is everlasting, the way the honor is unending, the way the praise is ceaseless, the way the worship is constant, the way the devotion is unwavering, the way the faithfulness is unshakable, the way the loyalty is unbreakable, the way the love is unconditional, the way the grace is unmerited, the way the mercy is unending, the way the compassion is boundless, the way the kindness is overflowing, the way the gentleness is soothing, the way the patience is enduring, the way the self-control is mastered, the way the purity is maintained, the way the holiness is pursued, the way the righteousness is lived, the way the peace is kept, the way the joy is abounding.

IS VISITING FAMILY FRIENDLY?

Family-friendly means a destination that is suitable for all ages. It is a place where families can enjoy themselves together. It is a place where children can play, where adults can relax, where everyone can have fun. It is a place where the needs of all are met, where the interests of all are considered, where the safety of all is ensured, where the comfort of all is guaranteed, where the enjoyment of all is maximized, where the memories of all are treasured, where the love of all is shared, where the life of all is lived, where the death of all is conquered, where the resurrection of all is celebrated, where the kingdom of all is established, where the reign of all is eternal, where the glory of all is everlasting, where the honor of all is unending, where the praise of all is ceaseless, where the worship of all is constant, where the devotion of all is unwavering, where the faithfulness of all is unshakable, where the loyalty of all is unbreakable, where the love of all is unconditional, where the grace of all is unmerited, where the mercy of all is unending, where the compassion of all is boundless, where the kindness of all is overflowing, where the gentleness of all is soothing, where the patience of all is enduring, where the self-control of all is mastered, where the purity of all is maintained, where the holiness of all is pursued, where the righteousness of all is lived, where the peace of all is kept, where the joy of all is abounding.

It is actually a myth that ship Captains can marry you on board unless they are an authorized celebrant in the country where the ship is at the time, but that doesn't mean you can't combine a cruise in the Pacific with your wedding!

There is a multitude of ships sailing from the east coast, and most resorts in Hawaii will cater for a wedding on the day you have in your itinerary.

We can organise all the paperwork in advance, so when you disembark, we will have transfers waiting to whisk you and your guests off to the resort. Once there you will have use of a room to get ready in while your guests can make use of the resort facilities. We can also arrange all the additional services such as hair & makeup or photography.

Your ceremony could be followed by a celebration lunch at an additional cost. Spend the afternoon at the resort, or we can arrange some sightseeing before dropping you back at the wharf to your ship, where you can have your wedding reception on board!

Long after the petals of the flowers have faded and the dress is hanging up in the wardrobe, your photos of your wedding day may be one of the only reminders you have.

Photography is very subjective and it is important you find a photographer that suits your personal taste, and that you feel comfortable with, as they will be the one to capture your most precious moments.

Budget is only one part of the consideration when choosing the right one for you. The standards of photographers in general is also high, with many an event gaining their accreditation. Below is a range of our brochures and there are many more, but take through their websites and see what speaks to you.

You may not be including video in your budget, thinking it may be wasted, but trust us you will regret both. We promise you will not regret spending the money. You may not think you want to video every minute, but with so much happening on your wedding day that you have been meticulously planning for months, many of the details may be a blur and you will be desperate for a way to remember it.

With a wedding video you'll be able to see your guests arrive and depart, hear the speeches and laughter and of course you'll have that shot of the bride you might miss while you are busy. A videographer can capture these moments on film - it's worth it we promise.
