“Mandi is amazing, we have just come back from our wedding which I could not have done without her. She did everything we needed, and without island time (yes it is a real thing). Mandi is back to you instantly and if not will let you know when she can get that answer to you. I seriously would have lost it without this woman, she is an angel in disguise”

AUSTRALIA

G'day!

Destination weddings need not be overseas. You can still have a wonderful destination wedding a little closer to home.

Australia is fortunate to have some of the most stunning scenery in the world right on our own doorstep. You can still have the destination wedding of your dreams, spending time with your friends and family away from your usual surroundings.

Take advantage of the range of domestic flights on offer, to a place where you can immerse yourself in the local culture, reconnect with nature, live in the moment, be spontaneous!

There is a myriad of options available to you. Book a wedding on a stunning beach or island in the Whitsundays & Far North Queensland. Travel to Margaret River, or the amazing Hunter or Barossa Valleys for weddings in gorgeous wineries. Or enjoy a stylish wedding in a city centre overlooking a famous landmark or harbour. Honeymoon in luxurious retreats, and create lifetime memories with family and friends.

Australia has some incredible locations that can make your dream Australian wedding a reality.

It's all about experiencing the local culture, majestic scenery and unwinding, cocktail in hand!

AUSTRALIA

WHY DOES IT MATTER WHERE I GO?

Where you choose as your wedding destination will make an impact on every other decision, including guest lists, suppliers and more. Whilst Australia is a popular destination for weddings, each destination has their own unique vibe, which means a destination must be thoughtfully handpicked for each couple depending on what they want their dream wedding to look and feel like.

CREDIT: Daydream Island

WHEN IS THE BEST TIME TO GO?

There is really somewhere to go at any time of year. If you want beaches or islands, then Queensland is pretty warm year round. Wineries can be cozy with log fires in the winter as well!

School Holidays and main holiday events like Easter and Christmas will typically mean higher prices.

HOW DO I CHOOSE A LOCATION?

Australia has a range of beautiful locations you can choose from - beach, forest, private islands, remote sandbanks and quaint picturesque wedding chapels.

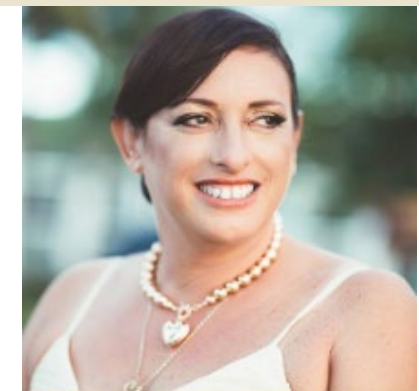

Talk to us about how you see your wedding, what is important to you, and your budget plays a part as well.

HOW DO WE ORGANISE THE PAPERWORK?

Paperwork is easily arranged, and we work with some of the most professional and experienced onsite wedding coordinators to ensure your day runs smoothly.

Mandi is also an authorised Marriage Celebrant so is on hand to answer any questions you may have.

Mandi - our in-house celebrant!

AUSTRALIA

QUEENSLAND –

Queensland is home to some of the nicest beaches in Australia (*sigh from other states!). The Sunshine State offers picturesque beaches, breathtaking landscapes and fantastic weather. The Gold and Sunshine Coasts offer some amazing options with flexibility, and The Whitsundays are fabulous for those tropical island getaways, making you feel truly on holiday!

If your wedding is in the summer months, remember that this is storm season so be prepared with an alternative venue, and also remember that the sand can actually burn bare feet.

NEW SOUTH WALES –

The Hunter Valley, hosts a myriad of incredible quality wedding venues to choose from. Offering stunning scenery, spectacular winery views, as well as yummy gourmet wine and food making it an easy choice for romantic options to exchange your vows!

Sydney is blessed with an amazing harbour famed around the world, allowing for iconic and stunning photography options. Follow your wedding with a sunset cruise around the harbour to celebrate your union.

VICTORIA –

Enjoy the perfect serenity of Victoria's famous Great Ocean Road, a region well known for its fresh produce from both sea and land. Or visit Australia's home of prosecco and amazing cheese – the King Valley. If you want something a little different, consider having a winter wedding on the snow, or atop a mountain at Falls Creek! Ultimately Victoria can offer you a wide choice of styles and locations, especially if you want a cosy winter wedding.

Melbourne is the culinary home of Australia, imagine having your wedding in a restaurant owned by a famous chef! If food and wine are important to your ideal wedding, then definitely look at this eclectic and cosmopolitan city.

AUSTRALIA

SOUTH AUSTRALIA –

If you've always dreamed of having your wedding in one of SA's picturesque national parks, this could be an easy decision. The national parks provide gorgeous surrounds for a unique wedding location.

Most famous for the stunning Barossa Valley, this is a well-loved and popular wedding destination with a gorgeous array of elements to create your perfect day. From historic churches to stunning gardens with a unique range of reception venues showcasing Barossa produce and world-famous wines. Picture-perfect backdrops for your photos and beautiful accommodation make it a perfect choice.

WESTERN AUSTRALIA –

The Margaret River Wine Region is about 280 km south of Perth, lapping the Indian Ocean. The whole area has a lovely temperate climate, so no hot summers or cold winters, so you can have a lovely wedding year-round. Combining vineyards with ocean views, and a beautiful climate – the perfect choice!

Broome, in the top end of WA was named after the telegraph cable that connected to Indonesia in 1889. 6km from Broome is the stunning Cable Beach, famous for the 22km of white sand and clear blue water, as well as spectacular Kimberley sunsets. The most iconic image of Cable Beach are the camels, that can be hired for your wedding – bit different from your usual limo!

These are just a guide to some of the more popular regions, but weddings can be arranged anywhere! Speak to Mandi, our resident Marriage Celebrant and event planner, tell her your ideas and let her put it all together for you!

GETTING MARRIED IN AUSTRALIA

Getting married in Australia is a pretty easy process, however we do have to start your documentation with plenty of notice.

Once the location has been decided, and the venue has booked your celebrant (or you have your own), a Notice of Intent to Marry must be completed at least 1 month prior to your wedding date. All the correct documentation and procedures will be advised to you.

Venues will often pass on your details to the local, preferred celebrant, who will contact you to proceed with the paperwork etc.
