# ABOUT FIJI

## Bula!

You will hear this **ebullient and heartfelt greeting** from the moment you step off the plane. They call it the Bula Spirit and Fijians love to say “**Happiness is closer than you think**”.

Fijians are also the **most hospitable, genuine and caring people** you will meet in the world. It is this warmth that has made Fiji one of the most popular destinations for Australians.

Fiji is our **most popular destination for weddings and honeymoons**, it's our specialty, we know and love it very much, so we do weddings and honeymoons well.

Fiji is a beautiful place to get married!! There is plenty of choice, but to make sure you pick the right place for you, it makes sense to speak to an expert. Fiji is a little different and you are likely to have most guests staying in the resort the entire time as they are **mini destinations** all on their own. This is why it is important to make sure we give you what is right for you!

From **family friendly resorts through to exclusive islands** and barefoot luxury. Do as much or as little as you like. With white sand beaches, snorkelling and diving, a **pristine natural environment and an abundance of culture** to immerse yourself in, there's something for everyone.

# THE DREAM DESTINATION

## WHY DOES IT MATTER WHERE I GO?

Where you choose as your wedding destination will make an impact on every other decision, including guest lists, suppliers and more.

While Fiji is the always popular for weddings, **each resort and island has their own unique vibe**, which means a destination must be thoughtfully handpicked for each couple depending on what they want their dream wedding to look and feel like.

Captain Cook Cruises

## WHAT ARE THE LOCATIONS LIKE?

Families and couples are a specialty in Fiji and with so many beautiful resorts, who could think of a more romantic place to get married or honeymoon?

Fiji has a wide range of beautiful locations you can choose from; **beach, forest, private islands, remote sandbanks and quaint picturesque wedding chapels**.

Fiji stock photo

## WHAT IS THE CULTURE LIKE THERE?

From the moment you step off the plane, a smile spreads across your face and stays there until you leave. Fijians are natural storytellers, take time to **listen to their stories, legends and myths** such as that of the Beqa firewalkers!

Fijian culture has evolved with a mix of Indian, Chinese and European culture, as well as from neighbours; in particular the Tongan and Rotuman cultures.

Plantation Island Resort

## IS FIJI FAMILY FRIENDLY?

The **Fijians love of children is legendary!** Each resort will have an army of beautiful Nannies, who will look after your children like their own.

Most resorts will have fantastic **kids clubs and a multitude of activities** to keep them occupied, and they will not want to come home!

Outrigger Fiji Beach Resort

# THE DREAM DESTINATION

## WHEN IS THE BEST TIME TO GO?

The “wet” season is officially November to March but if there is going to be any really adverse weather it is usually December-January.

Price wise the cheaper times are November and March, **ideal times for weather is August and late October.** School Holidays and main holiday events like Easter and Christmas will typically mean higher prices.

Fiji stock photo

## IS FIJI AFFORDABLE

Like anywhere in the world, Fiji offers **options for all budgets.** From a barefoot rustic vibe to pure luxury, we can help you book what you need at the best prices.

Most resorts also have fantastic inclusive packages so everything is taken care of in one payment.

Tokoriki Island Resort

## ARE THERE GOOD SUPPLIERS OVER THERE?

Absolutely! There are some **amazing, highly trained and professional suppliers** over there. World-class photographers, hair and make-up artists who have trained with the best in the USA and Australia etc.

You can be sure that any of the suppliers we recommend will be of **an amazing standard.**

Konrad Thorpe Photography

## IS IT LEGAL TO GET MARRIED THERE?

Getting married in Fiji **is legal and recognised worldwide.**

Paperwork is **easily arranged,** and we work with some of the most professional and experienced onsite wedding coordinators to ensure your day runs smoothly. See [here](#) for more information.

# MAP OF FIJI

# CONSIDERATION FOR YOUR LOCATION

Credit: Sofitel Fiji Resort & Spa

## DENARAU

Denarau is a man-made island reached by a causeway and just **25 minutes from the airport.**

Most of the resorts in Denarau are close to the marina where the island transfers go from, so Denarau is a **great place to stay before heading off to the islands.**

The resorts there are all international chains such as Sofitel, Radisson etc and the difference here is that they are all within close proximity, giving you **flexibility for staying and eating** etc. Plus you have the marina itself where there are many restaurants at the marina so a lot of choice for dining.

The beaches are not amazing white sandy beaches but more **black sand and coral**, as it is a working port and built on reclaimed land. So if you are after convenience it is great but if you want a white sandy beach it may not be for you.

# CONSIDERATION FOR YOUR LOCATION

## WAILOALOA (NADI BAY)

A new favourite at Viva, there is another area called Wailoaloa (Nadi Bay) which is about **15 minutes from the airport**. Wailoaloa has a couple of nice resorts there, specifically the Pullman which is brand new.

It is a quieter beach, away from Denarau. Also there are some cool restaurants along the beach that have a **great casual vibe** for before or after the wedding, if you just want to go somewhere and eat and drink outside of the resort. It is really a **chilled and less touristy** place for sure.

If you have people going on a budget, there are **some smaller 3 star places** nearby as well as a backpackers, but they all share the same beach so it is really easy to get together.

# CONSIDERATION FOR YOUR LOCATION

Credit: Outrigger Fiji Beach Resort

## CORAL COAST

The majority of the resorts are down on the Coral Coast. Resorts are dotted along the coast, but as there can be significant distances between them, you are **more resort bound here**. Once again bigger western style resorts here although there are some smaller places for those on tighter budgets.

The beaches are often in **protected lagoons** so are quite nice and calm although it is called the Coral Coast for a reason. They still do not usually have that beautiful blue water and white sandy beaches, with a couple of small exceptions.

Great for a **more Fijian feel** and a total resort experience.

Note that you do need transport for tours or out to the islands such as Malamala or Cloud 9.

# CONSIDERATION FOR YOUR LOCATION

## PACIFIC HARBOUR | RAKIRAKI | BEQA & EAST COAST

PACIFIC HARBOUR - Known as the **adventure capital of Fiji**, Pacific Harbour is about 3 hours drive from the airport, but worth it. Beautiful white sandy beaches, a world class golf course, a lively cultural centre and some great restaurants.

RAKIRAKI - Home to Wananavu Resort, Rakiraki is approx 3 hours drive from the airport on the opposite side of the island. Perfect for those wanting a **rustic total getaway** from everything, just you and your loved ones together in the resort!

BEQA/EAST COAST - Beqa is the home of the **traditional and mythical fire walkers** seen at all the shows. Beqa is fabulous for divers and those looking for some rustic luxury at (another) Viva fave Royal Davui Resort. Another option is to take over a whole resort with Toberua Island Resort.

Credit: Royal Davui

# CONSIDERATION FOR YOUR LOCATION

## MAMANUCA ISLANDS

**Home to some amazing resorts**, including the family friendly Plantation, Castaway, Mana and Malolo Islands to adults only islands like Tokoriki and Matamanoa, and the luxury islands such as Likuliku which has Fiji's first and only overwater bungalows.

Which island will suit you will be depending on your budget mainly, but the islands are the quintessential Fiji, with the **beaches, palm trees and everything you imagine it to be!**

**Logistics with the islands need to be taken into consideration.** The transfers out to the islands may not match up or connect with all flights, so necessitating either an overnight on the mainland or water taxis. If you choose an island we strongly suggest that you do not book flights without checking with us first (or get us to book them) so we can ensure it all works!

Credit: Tokoriki Island Resort

# CONSIDERATION FOR YOUR LOCATION

## YASAWA ISLANDS

Further up past the Mamanuca Islands, are the famed Yasawa Islands, where they filmed Blue Lagoon! Most resorts here are **rustic, with amazing beaches**, you can swim with the Manta Rays here as well.

At the far end, and reached by private jet, is the gorgeous Yasawa Island Resort, which is another favourite at Viva!

Because of the logistics and remoteness, this is a **great place for eloping, or to spend your honeymoon**.

# LEGAL CONSIDERATIONS

Here are all of the legal requirements for a wedding in Fiji, so that your special day is remembered for all the right reasons. Getting married in Fiji is a pretty easy process, we will send you all you need in advance.

## To legally marry in Fiji, you need to:

- ✓ Be single, widowed or divorced.
- ✓ Not be related (bloodline relationship).
- ✓ Be 21 years of age or over.
- ✓ Any witnesses must be 18 years of age or over.
- ✓ Both spouses must be physically present to obtain the licence.

## You will also need to provide:

- ✓ Required documents to be submitted to the resort 45 days prior.
- ✓ Copy of the Single Status Certificate or Certificate of Search or Certificate of no Legal Impediment from your BDM office of your current residence. The search of marriage has to be from 18 years of age. Please lodge this at your BDM office 60 days (2 months) prior to the wedding date.
- ✓ Original or certified copy of birth certificate.
- ✓ Current passport.\*
- ✓ Certified copy of Divorce and Death certificate if either one or both party were previously married.
- ✓ Recent passport size photos.
- ✓ Photo ID of Witnesses of the wedding ceremony (Passport & Drivers licence).
- ✓ Witnesses and couples must also bring with them a passport size photo.
- ✓ Couples under 21 years of age are required to produce a consent document signed by a parent.

\*Please ensure your passports have a minimum of 6 months validity from your return date otherwise you may be denied entry

## Catholic Weddings:

- ✓ The wedding needs to be held at a chapel conducted by the Parish Priest.

## You will also need to provide:

- ✓ All documents as per list, plus:
- ✓ Baptism certificates.
- ✓ Letter stating that you have completed Marriage instructions from your priest.
- ✓ Completed free nuptial enquiry form – filled and approved by your priest.
- ✓ Letter from your Parish Priest stating that you are both free to marry.
- ✓ All Catholic documents are required to be submitted 55 days prior the wedding date at least to seek approval from priest.
- ✓ The wedding needs to be held at a chapel conducted by the Parish Priest.
- ✓ Catholic Marriages are only performed from Monday – Saturday only (upon approval from the Fiji Priest).
- ✓ Catholic marriages will not be performed during Lent and Advent season.
- ✓ All above documents are required to be submitted by your priest.

# LEGAL CONSIDERATIONS

## Important note:

All Original documents are required to be brought to the resort and sighted by your wedding coordinator. All special application license forms must be typed, no handwritten forms will be accepted. Signatures can be made after all information is completed on the above section of the license forms.

## Is it a legally recognised marriage?

Your marriage is recognised and legal worldwide. Births Deaths and Marriages can't register it in Fiji as they only register marriages that take place on Australian soil.

## How do I change my name then?

Most people do an official name change when they get back to Australia which is then recorded in Births Deaths and Marriages. We suggest that when you receive your marriage certificate get around a dozen copies certified by a JP and keep them safe. If you lose your certificate you will need to apply to Fiji for a copy, but it is easy!

Banks and credit cards etc will keep a copy on file, so never send the original. Legally you are married and can use your new name, but it is easier and more official to do a name change.

## Who is required to produce a Certificate of Single Status?

All applicants are now required to produce a Certificate of Single Status. You will need to go to your state Births Deaths and Marriages and apply for one. They then check the records and issue a certificate saying that as of (date) there is no record of a marriage in that name. This cannot be done too early otherwise it will be invalid.

## What is the legal age we can marry in Fiji?

The legal age is 21 years, otherwise written consent is required from parents with confirmation from a JP.

## How long before my wedding do I need to arrive in Fiji?

Unfortunately we can no longer pre-register applications as we used to, except in rare circumstances. This means you need to be there to visit a registry office during the working week (Monday-Friday/office hours).

There is no legal requirement, however we do suggest arriving at least 3 days prior to allow you to meet with your wedding coordinator, visit the Registry Office (during the working week) and finalise all paperwork and preparations. Remember to check Fiji Public Holidays when planning your travel arrangements and allow an extra day if necessary.

Please note Sunday is a religious day in Fiji and weddings on this day are subject to individual resorts.
