## WHEN IS THE BEST TIME TO GO?

The best time to visit Mexico is during the dry season between December and April, when there is virtually no rain. The coolest months are between December and February, although temperatures can still reach averages of 28°C during the dry season. The wet season begins in the south in May and lasts until October.

## IS MEXICO AFFORDABLE?

Mexico is generally very affordable, and most of the all-inclusive resorts include so much more than food and drinks. Some touristy places such as Cancun will be more expensive but it is fairly easy to still find cheaper places to eat etc. Just watch hidden charges such as local taxes and hotel fees charged locally.

## IS IT LEGAL TO GET MARRIED THERE?

The process can be a little quirky and confusing, and in true Mexican style, they do not move quickly! Only a civil marriage is recognized as legal in Mexico. For civil marriage ceremonies, you will need to arrive to the destination 3 days before the wedding. In Mexico, you need a blood test before you get married. Additionally, they need the copy of birth certificate, ID copies (and others). The government requirements have an additional cost between US\$400-600. It may be simpler to do the legal ceremony here and have a symbolic one in Mexico!

## ISN'T IT ALL JUST BEACHES AND FOOD?

Most people imagine Mexico to just be about lazing in a beach chair with a margarita in hand. The great thing about this country is that this is one of many awesome things to do, depending on where you are of course! Food is a big thing there, but not just tacos! Head to Los Cabos with a dramatic desert backdrop nestled by coastlines of the Pacific Ocean, it's home to so much such as culinary offerings, championship golf courses, spas & so much more!

## TOP THINGS TO DO IN MEXICO

Mexico City is not just a stopover! It is to more museums than any other city in the world. Check out the Frida Kahlo House.

Go diving in Cozumel, regarded as one of the best places to go scuba diving in the western hemisphere.

Visit the amazing Sea of Cortez, named "The Aquarium of the World" by Jacques Cousteau, take a boat trip to "The Arch," a rock formation in the shape of a giant arch.

Eat tacos! There really is a taco truck on every corner here, brilliant!

Walk the malecon, an esplanade. The most famous malecon is in Puerto Vallarta..

Listen to Mariachi – the quintessential sound of Mexico.

The Tequila Express train runs from the city of Guadalajara to the Herradura distillery, one of the most famous brands of tequila.

Try is a michelada. It's like a Bloody Mary but with beer instead of vodka.

Playa del Carmen – you can dine in an illuminated cave. A unique culinary experience.
