ABOUT THE RESORT

Ideally situated in the heart of the Coral Coast , the Warwick Fiji resort offers an authentic experience unlike any other. The Warwick Fiji won't just set the standard for your Fijian experience, it will exceed it... as we have been doing for nearly 40 years.

Perfect for family holidays, weddings or honeymoon, enjoy pre-dinner drinks at the Sunset Terrace bar, a romantic dinner at the famous Wicked Walu, our private island seafood restaurant, a show-stopping teppanyaki performance or indulge in sushi at Sazanami, partake in a flavorful plate of pasta and other Italian creations at Pappagallo, or experience the wide variety the buffet offers at Bula Brasserie before finishing the evening with after dinner drinks at our Hibiscus lounge.

With both family and adults only facilities, this tropical family resort overlooking the beach welcomes you with traditional decor and wooden carvings that reflect classic Fijian style. The Warwick Fiji offers a wide variety of activities including the Warwick Spa, 2 pools with pool bars, water sports and a supervised kids club.

For those looking for an off resort experience, the resort is within close proximity to Biausevu waterfall, Sigatoka river safari, Sigatoka Sands Dunes and Kula Wild Park. Guests can also immerse in a variety of cultural experiences with local village tours or enjoy an afternoon of shopping at Sigatoka town..

WHAT WE LOVE

Good for groups and families. Heaps to do for the kids. You can also visit their sister resort The Naviti for meals etc and charge back to your room.. They have a great torch-lighting ceremony each night with all the kids! Good choice of food and a nice adults only area as well. The bar on the terrace rocks!
